Bellnet:

Remember to check on Bellnet for the latest, under Our Company → Coming Back Better

Drilling:

Drilling of our building foundation is scheduled to take place both inside and outside of the Queen Street Campus (299 Queen Street West, 277 Queen Street West, and 260 Richmond Street West), beginning on **August 8**. This is scheduled to occur during off hours i.e. evenings and weekends until **September 17**. This drilling consists of drilling down 9 meters to perform ground water sampling. There will be some doors left open leading outside during the work. Masks should be available by security.

Meetings:

Health and Safety meetings will regularly occur on the last Wednesday of each month at 11am, starting again in September, 2022.

There are openings for floor wardens and deputy wardens.

To join the team, or for any information please contact Ryan Gourley, Corporate Security, BCE Inc., at: ryan.gourley@bell.ca
