Motion # 1

**07/17
2019** **Motion #1**

To donate \$750 to the JDK “Just Do Kindness” Foundation.

Whereas:

The JDK Foundation was established in 2016 and provides care, support and education to grieving children, youth and their families around death and dying, while building strength, resilience and hope.

Whereas:

A 723M member has used this foundation when they lost a family member.
